A Message from your Booster Club President...

Hello Panther Theatre Families!

We are quickly approaching the end of the year, as hard as that is to believe! As we reflect on the wonderful Fall and Spring seasons we have enjoyed, there is still more to come!

We have more to look forward to - the Student-directed One Act Plays are at the end of April, awards season is here, and one of the most fun events of the year, Banquet is one month away.

We look forward to celebrating with all the students and parents. There is a lot of work that goes into Banquet, and we will be reaching out via Sign-up Genius for help! Please consider volunteering to help set up or clean up, and stay to enjoy the festivities.

The Booster Club is a great way to help foster your student's extracurricular and passion for Theatre, and we appreciate your membership. Remember that in order to qualify for the Theatre Booster Scholarship, you must be members for at least 2 years including Senior year.

As we close out the year, with everything we all have going on, let's remember to thank our fellow volunteers for all of their work, and thank our wonderful directors. They truly put their whole hearts into their work, which is why our students have this unique opportunity to develop and grow the characters that will take them on into their adult lives. We are fortunate to have this program.

We will see you at the last two Booster meetings of the year and be ready to party on May 3rd at Banquet. Thank you!
